Re: Discount for Baraboo Young Professionals at Fairfield Hills Golf Course & Range

Dear Mr. Johnsen:

Fairfield Hills Golf Course & Range would like to extend a special **20% discount to all Baraboo Young Professionals and their families** on summer green fees and range balls at our facility, to be used as often as they wish in 2019 (discounts valid May 13th - September 8th). Also, we will extend a **10% discount on 2019 season passes to any Baraboo Young Professional.**

If you are not familiar with Fairfield Hills, our unique 12-hole golf course was selected the **2018 Wisconsin 9-Hole Course of the Year**. With three sets of tees, and 3, 9, 12, or 18-hole options, the course offers choices for players of all ages, abilities, and time constraints. We also have the area's largest and longest practice range (34+ stations/340 yards). For more information on the course, visit our website at [www.fairfieldhillsgolfcourse.com](http://www.fairfieldhillsgolfcourse.com).

Our goal is to promote the game of golf by providing an outstanding experience at an affordable rate. We are also a great location for a department outing or company golf league. We would love to discuss these options with you, if interested.

If you would like to take advantage of these savings, we would be happy to supply information on the facility and work with you to help promote this special offer. **There would be no cost to Baraboo Young Professionals and our special offer would be an additional benefit for group members.**

We are a member of the Baraboo Chamber and they have provided us your contact information. If you are not the person responsible for corporate benefits, we would appreciate you forwarding this to the appropriate person.

Thank you and we hope you will take advantage of our offer!

Sincerely,

Nick Winters, Manager / Professional  
Fairfield Hills Golf Course & Range  
**Wisconsin 9-Hole Course of the Year (2018)**
